

CT Sports Center General Guidelines

The CT Sports Center will adhere to all CDC and “Reopen Connecticut” guidelines including, but not limited to:

- Masks will be required upon entering the facility, and must be worn with the exception of when players are taking part in an activity or when proper social distancing guidelines can be followed
- All patrons should sanitize hands upon entering the facility
- All patrons must follow arrows along the floor in order to reduce congestion
- Water fountains will be off, so everyone must bring their own water bottles
- Bleachers have currently been removed for seating
- Employees will be doing daily symptom assessments (self-evaluation)

Please note that each program will have its own, more detailed, guidelines that will be provided separately.

Guidelines may be updated as new information is release.
