

**CONNECTICUT JUNIORS VOLLEYBALL
YEARBOOK PATRON SHEET**

Dear Patrons,

2009-10 Season

The CT Junior Volleyball Association publishes an annual Yearbook to help offset player membership fees which are used to pay for such things as facility rentals, equipment, uniforms, referees and coaches.

With the educational and athletic opportunities being offered to today’s young athletes, the main goals of CT Juniors are to develop players’ positive attitudes and sense of teamwork, as well as providing technical training and maximum exposure, no matter what a player’s financial situation may be.

With your support as a Patron or Display Advertiser, you can help these young athletes reach their goals by attaining success in this statewide Junior Volleyball Program. *Ninety percent* (90%) of all ad revenue goes directly towards a player’s tuition. Thank you for any assistance you may provide.

Sincerely,
Tyson Krause, President

Please enclose black & white camera-ready artwork or business card for all display ads. Closing deadline for all ads is January 17, 2010. Yearbooks will be available at CT Junior tournaments.
